LUNDA'S WORKSHOP NOTES

Dear Brok & Sindri:

Since I know you're both snoopers of the highest order, why don't you make yourselves useful and kindly grace me with your keen insights?

You know that I like studying, and tailoring to, the tastes of my clients.

Kisses!

# BROK & SINDRI

*We sure can't neglect these snappy dressers—  
the two-and-only Huldra Bros. themselves!*

*Who are you talking to?*

Brok, I know you said you turned blue as a  
berry on account of all that silverwork, but  
hear me out—have you tried taking a bath?

◆  
*I TRIED ONE ONCE!*

*Once.*

*It's really not even so much  
blue as a silvery cerulean.*

*I THINK IT SUITS MY SUNNY  
DISPOSITION*

Leather segmental spaulders under the shoulder guard – bet that keeps ya nice and comfy!

Love the texture here... guessing that's Draupnir gold?

DON'T GO TELLIN', NOW...  
GOTTA TREATS YOURSELF TO  
SOMETHING SPECIAL EVERY  
NOW AND AGAIN

Why is this only on one side?

THROW OFF MY HAMMERIN'  
ARM OTHERWISE

Does each frame tell a story?

YES

Personal or historical?

BOTH! AINT'S ENOUGH SPACE—  
I'LL TELL YOU IN PERSON

Sorta love this buckle!

SHOULDA SEEN IT BEFORE  
I SAT ON IT.

Why only half the Huldra Bros. brand?

TO MARK IT MINE SO SINDRI DON'T FILCH IT

Like I would ever put my hand inside that.

Tidy stitch-work on your knot-work

I've long had my eye on this forge apron of yours

FULL GRAIN GRADUNGR LEATHER

And enchanted to protect against heat, sparks, and mutton stains.

I WEARS IT DESPITE THAT

This color/design seems unusual for you, Brok...

THAT THERE'S A FAMILY HAIR-LOOM—PASSED DOWN TO SINDRI WHO THEN GAVE IT TO ME AND THEN I THREW IT AWAY WHEN WE FOUGHT AND THEN HAD TO FIND IT AGAIN WHEN WE MADE UP.

Threw it away?! That was mother's FOUND IT DIDN'T I?!

*I can't see a buckle on these. Brok,  
how do you take these boots off?*

*THE HECK YOU TALKIN' ABOUT?*

Why the rune for 'hail'?

CUZ MY HAMMER RAINS  
DOWN LIKE IT! ☹️

All this time I thought  
it stood for 'Huldra.'

Interesting pommel

IT'S FOR CRUSHING HAZELNUTS WHEN I  
NEEDS A HEALTHY FORGE-SIDE SNACK

He's not kidding. I've slipped on  
the shelf and almost fallen into  
the forge on too many occasions.

If that hammer could talk...

OH, SHE TALKS ALRIGHT. BUT ONLY TO ME.

Honestly, it wouldn't surprise me.

Raised buttons let the leather straps secure the shoulder guards.

In the core of the ensemble, shades of gold dominate, with some teal accents thanks to the undershirt.

It's almost as if you've got some self-replicating supply of gold stashed away...

Even if we did have Draupnir - hypothetically! - you'd still have to blend the gold with stronger metals to make effective armor.

SOFT METAL DOES NICE FOR THE DÉCOR, THOUGH, DON'T IT...

I've long admired these lovely  
gauntlets

I borrowed that delicate branching  
pattern on the cuff from a foreign  
design I once saw.

**Y'ASK ME, LOOKS LIKE SOMEONE  
STEPPED ON A DRAGONFLY**

So that's six of these segmental  
spaulders between the gauntlet  
and shoulder guard...

Bag must be pretty special to get its own golden jointed tail!

You're not wrong! You'd be surprised how much I can fit in there...

I feel like you've had that hammer  
as long as I've known you...

One of a couple I keep in heavy rotation.

THAT'S EARLY SINDRI TOO—WHEN  
HE USED TO SLAP A FUCKIN FLOWER  
ON EVERYTHING!
