ALOY

Aloy is curious, determined, and intent on uncovering the mysteries of her world. Shunned by her own tribe since birth, she has learned to harness her agility, cunning, and deadly aim to hunt the machines and survive in the unforgiving wilds.

▲ HAIR

Aloy's hair consists of seven rolls coming from her hairline. The three toprolls gather together in the back of her head as a bun, and go down as a very big, yet subtle ponytail that blends in with the rest of her hair.

▲ TOP

Aloy's is wearing a linen undersuit, a hide top and a fur pelt draped around her shoulders.

▲ COLLAR

To decorate and personalize her outfit, Aloy wears several items around her collar.

The necklaces closer to her neck are made from braided or coiled leather.

The exception is a single anodized cable, which loops around her neck twice and still has copper connectors attached.

The lower three necklaces are made from wooden beads, dyed with crude pigment.

▲ BRACERS RIGHT

Aloy's bracers consist of a layer of hide wrapped around the arm, on top of which an upside-down fur pelt is placed to cushion the third layer: a plate from a machine.

▲ BRACERS LEFT

The metal plates on Aloy's bracers are harvested during a machine hunt, and show wear and tear – mainly edge wear where the coating is stripped away and the metal underneath shows, but also light scratching.

▲ SKIRT

Aloy's skirt is made of brain tanned hide with a linen and twine trim. The flaps of the skirt are tucked under her belt, which consists of multiple smaller leather belts and a sash made of red silk.

Aloy's pants are made of leather panels. Her knee plate is harvested from a machine and kept in place by a leather tie.
