# VARL

A warrior from the Nora tribe, Varl is one of Aloy's returning companions in Horizon Forbidden West. Based on the events from the end of Horizon Zero Dawn, he, like many in the tribe, sees Aloy as the Anointed, a religious figure from the Nora's beliefs who he is duty-bound to help. But more than that, he is kind and caring, and worries about Aloy as a person and the weight of the burden she carries.
