RILEY

While we are formally introduced to Riley in *Left Behind*, Riley has been part of Ellie's life while in the military school in the Boston QZ. Riley is fiercely independent and selfless, but the harsh realities of the world have also forced her to survive by any means possible. Although she is distrustful of new people, she is loving and outgoing around those she trusts, particularly Ellie, her best friend.

THE LAST OF US
PART I

FACE

KEY TRAITS

- Light brown eyes - Naturally long eyelashes - Firefly pendant - Small bruise on right cheek bone

HAIR

Riley's hair is made up of tight black curls that are all pulled back into a tight, low bun. Some of the curls pop out and give Riley some flyaway frizz.

SHIRT

When Riley sneaks into Ellie's dorm in the QZ, she is wearing a sweat-stained and grime-covered white V-neck shirt with a weathered, blue, cotton denim button-down short-sleeve shirt. The sleeves are cuffed up as the shirt is a little large for Riley, and there is a small, white fabric patch sewn above the left pocket, like a mechanic's shirt name tag.

PANTS

In similar fashion to her button down, Riley wears a pair of light, blue denim jeans that are slightly too long for her. She rolls and cuffs the bottom of her jeans to sit on top of her black leather work boots. Her jeans are grass-stained and have grime spots throughout from exploring the outskirts of Boston.

BRACELET

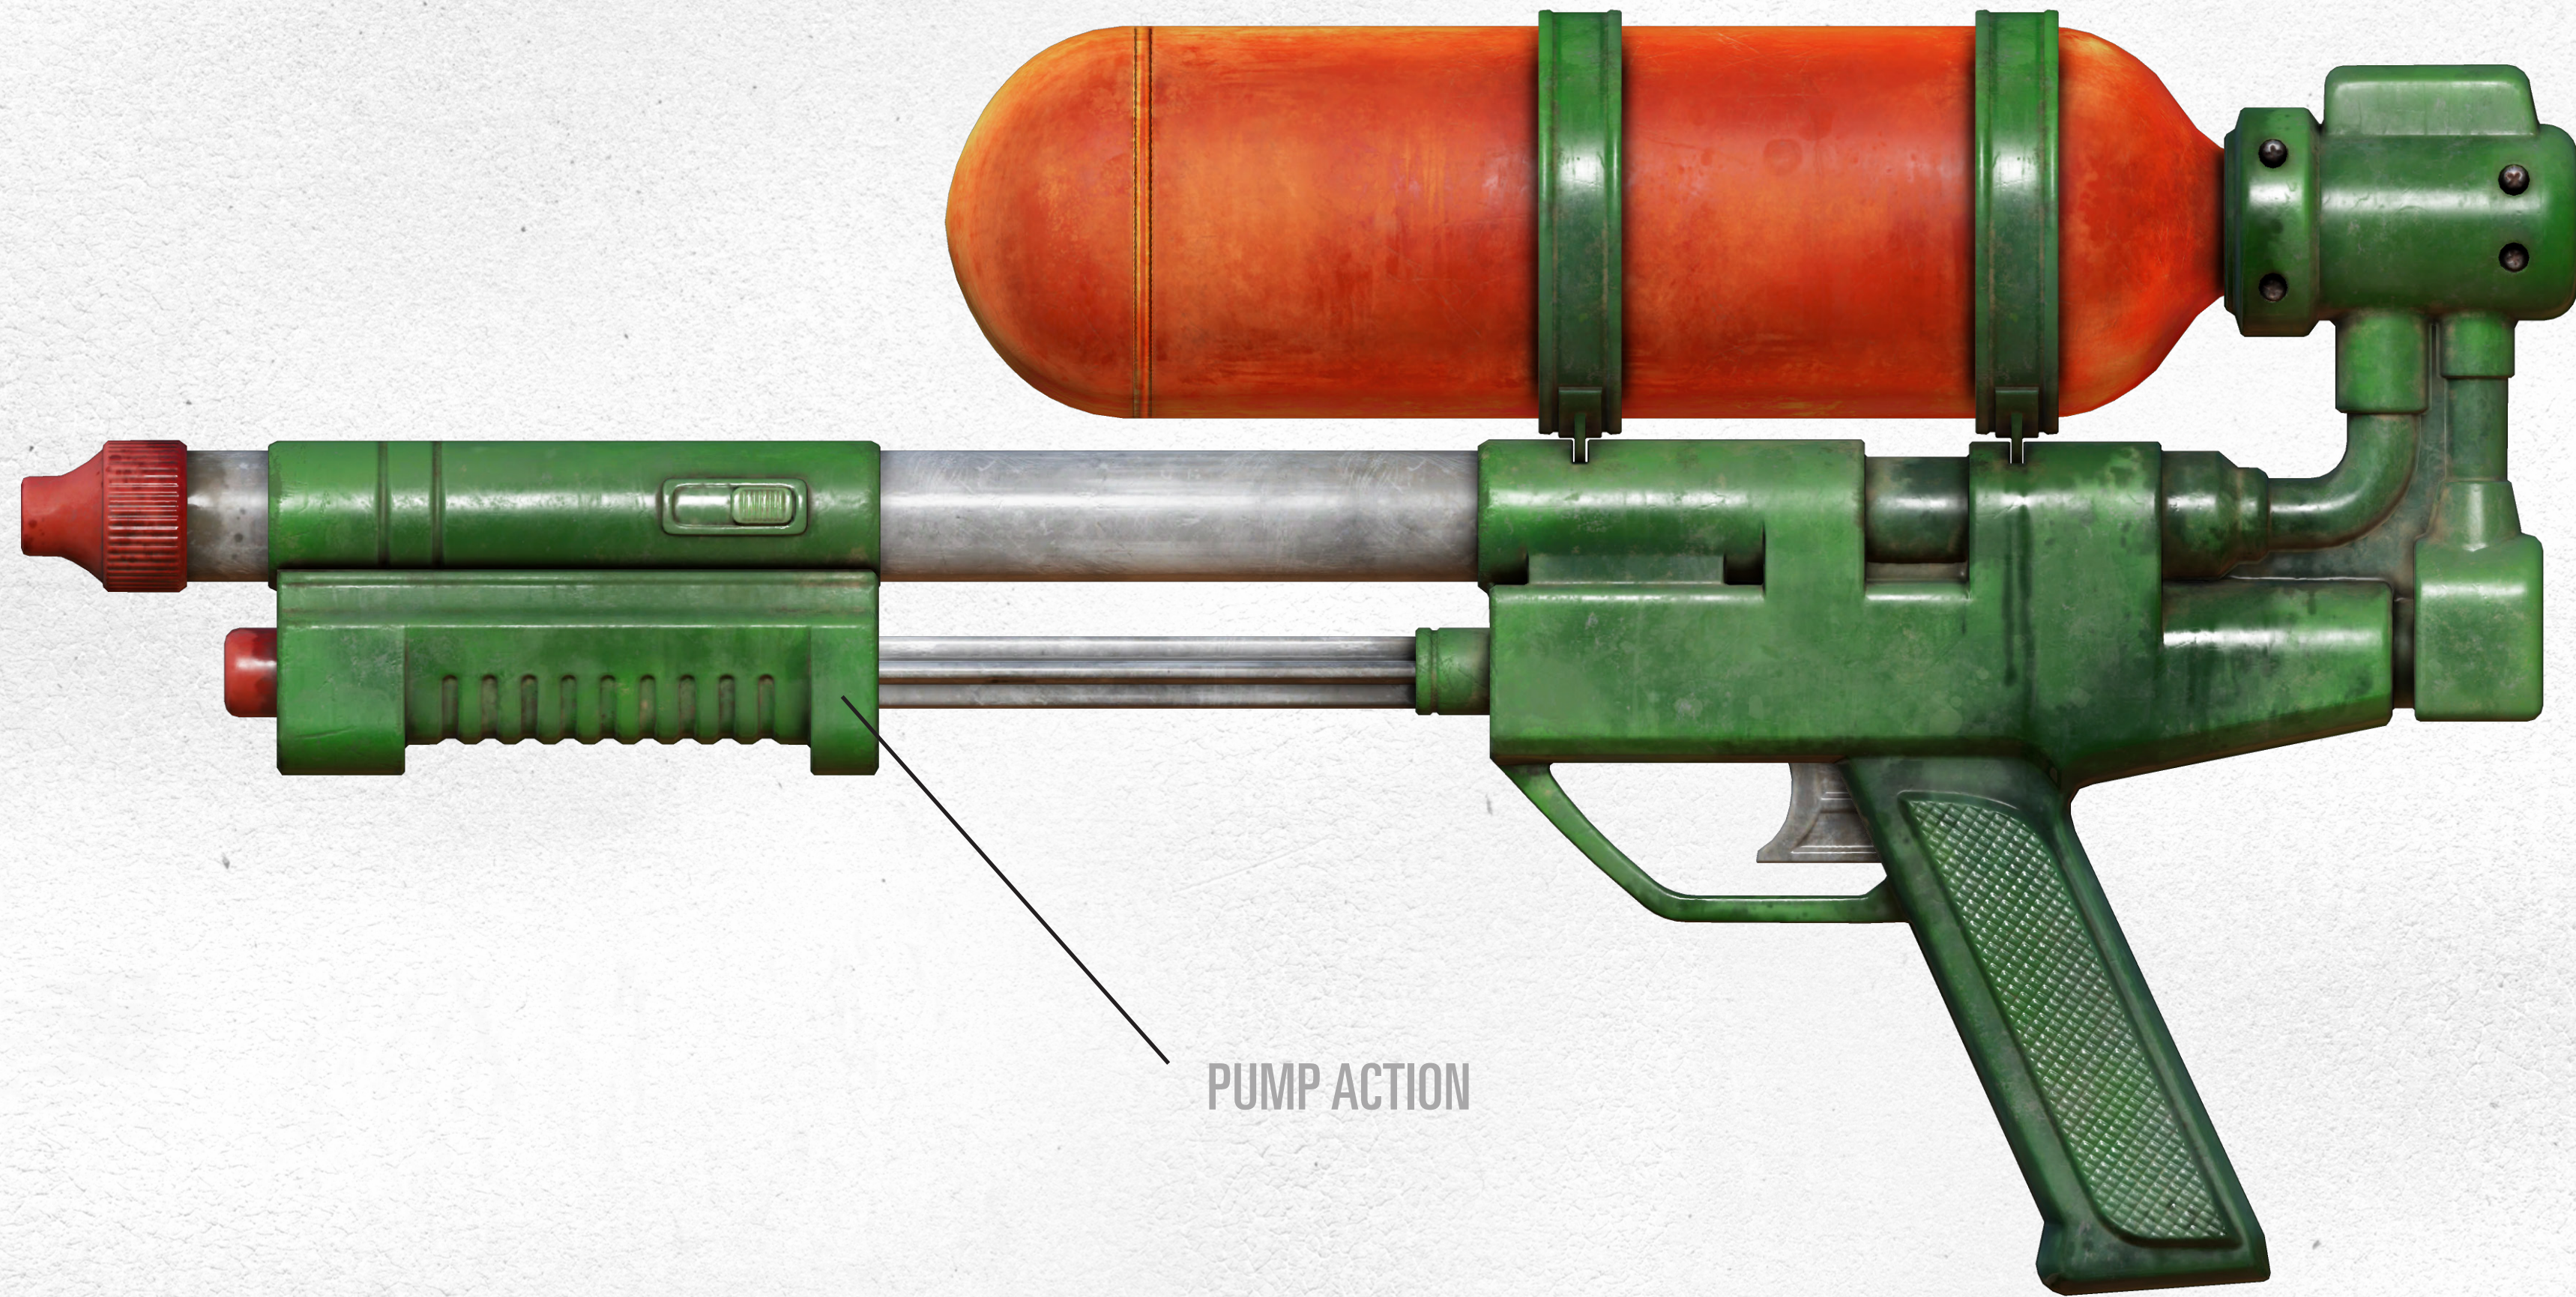

Riley wears a collection of bracelets made of wood beads and braided leather string on her right wrist.

BACKPACK

Just like how Ellie and Riley set out to get into fun trouble in the mall, Riley's backpack speaks to the part of their childhood they aren't ready to let go of. The backpack is a faded red -and- white double zipper bag featuring a smiling monster and fire breathing lizard. Some of her imagination is drawn on the front pocket, with a simple green, red, and black tassel keychain hanging off.

PUMP ACTION

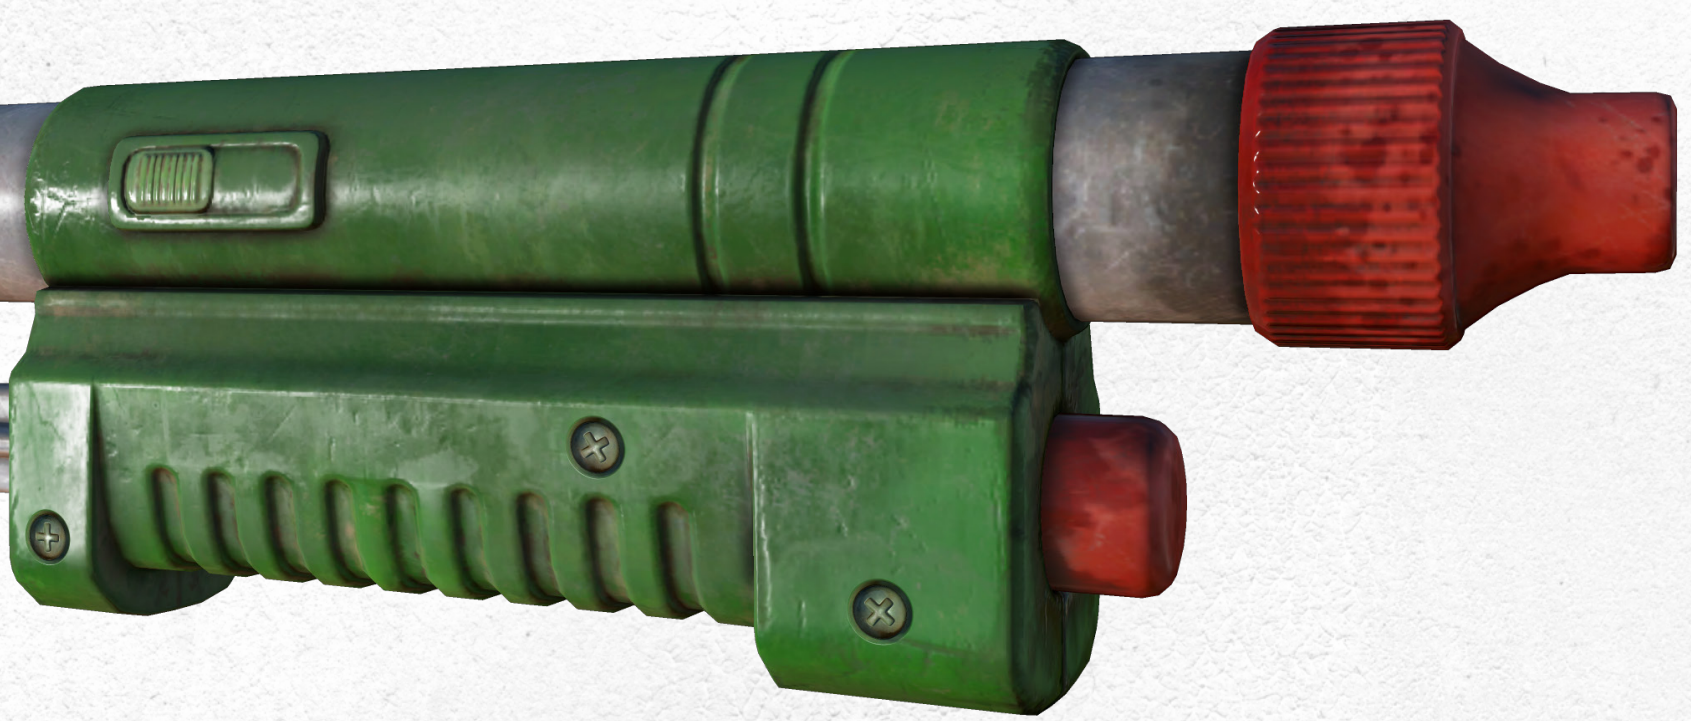

WATER GUN

While playing through the Boston QZ in Left Behind, players come across a unique gun fight, a water gun fight. The water gun is durable plastic of green, orange, and white, and a layer of grime built up from years of non-use. This type of water gun requires a pump-up action to be able to douse your targets.

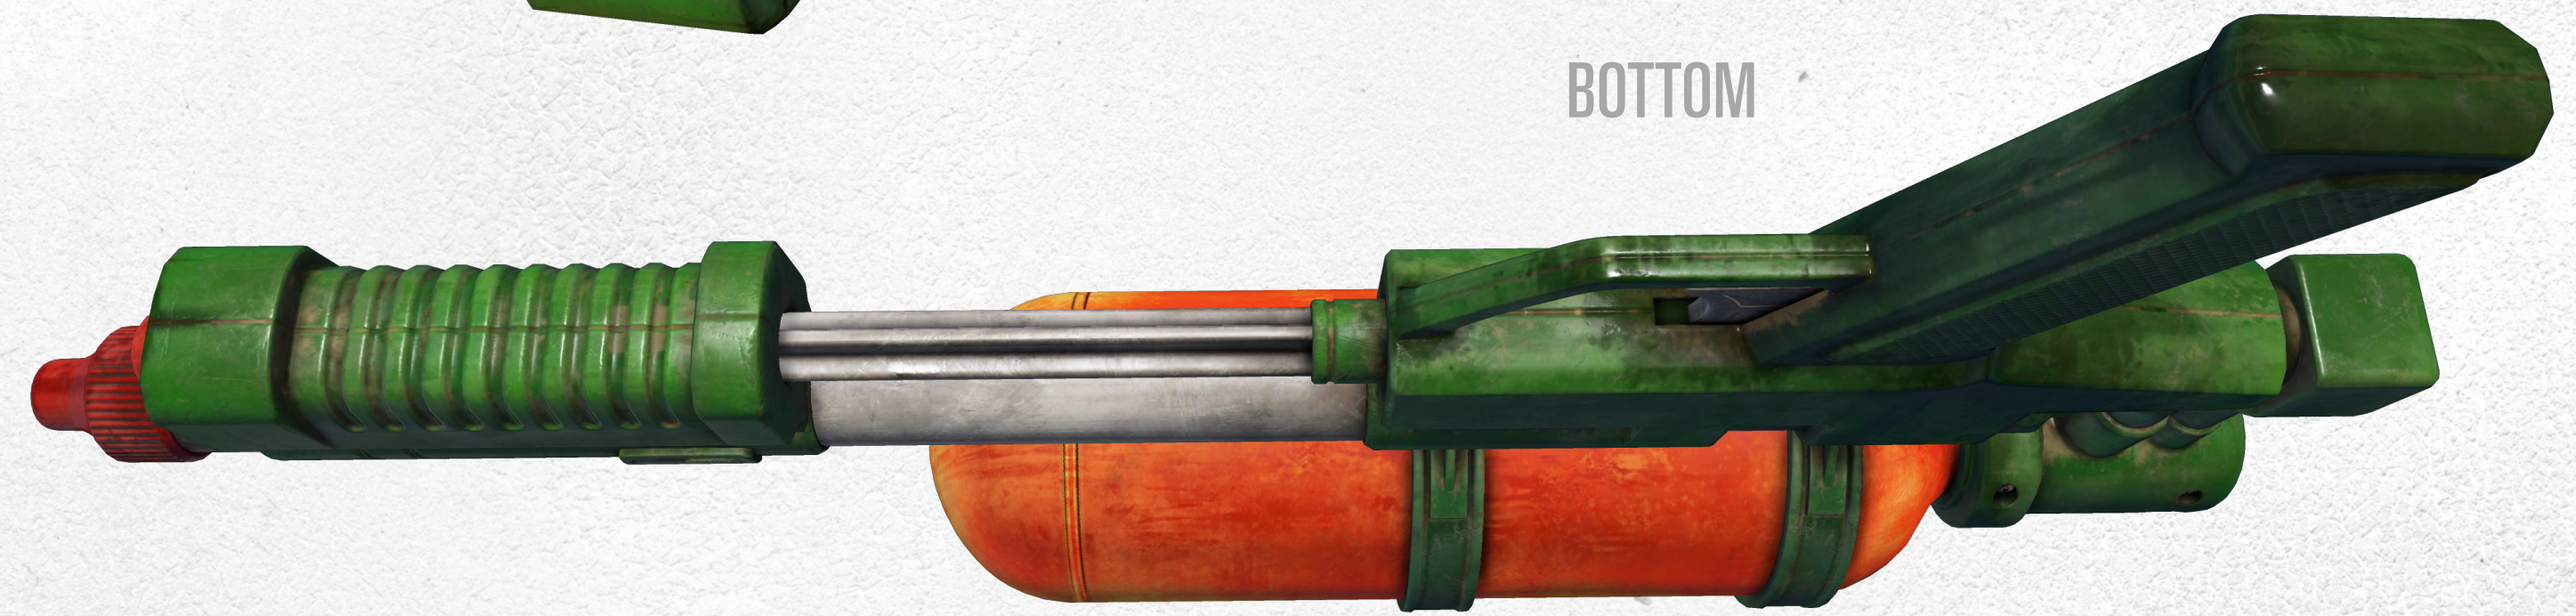

TOP

ANGLED

BOTTOM

FIREFLY PENDANT

When Riley turned 16, she was recruited to be part of the Fireflies. As part of completing her training, she receives a Firefly pendant that is stamped with her name and number. She wears it around her neck, but the pendant itself is hidden below her shirt most of the time.
